2018 National Humber & Rootes Vehicle Rally

Riverina Autumn Ramble

Monday 7th May to Friday 11th May 2018

HQ. Wodonga Victoria

Newsletter No.1

We have had an absolutely wonderful response to our recent invitation to attend this Rally. We now know our limit of just 50 vehicles will be very quickly achieved!

An Official "Expression Of Interest" (EOI) Notification Form included with this Newsletter should be now used to ensure you receive your personal updates of this Rally and Program of Activities, which is currently being finalized. You will enjoy 5 days of relaxing driving and touring in this wonderful part of Victoria.

The Wodonga District embraces many popular destinations and includes, Wineries, Historic Towns, Museums of Immigration and Warfare, Lake Hume and the Hume Dam, The majestic Murray River, Modern Shopping Centres, Restaurants and Coffee shops, Galleries as well as a host of other places to visit. During your stay with us you will be able to visit some or all of these attractions - none of which are more than an hour's travelling. We will have one unique day when rally participants will be divided into two groups, which will travel in opposite directions and meet each other along the way!

Accommodation is well priced!

We have secured 2 motels in Wodonga which will provide rooms for \$100 per night! Here's a chance for some participants to share a room and save! Booking arrangements will be notified in due course. There are several Caravan Parks nearby for those who may care to use them.

Catering during our Rally In an effort to reduce costs to participants, catering will be simplified allowing you to self cater or select your own dining requirements. There will be the usual obligatory formal presentations and awards night - pre paid. Other evening and morning informal meals and activities will be included in your Entry Fee.

Are we in your Diary? Do it Now! Send us your EOI Now!

Regards

**Jan Beattie
Secretary**
