

Report on our visit to Cricket Willow - Another wonderful day to catch up with people and their Humbers

Merv & Maree Sherlock in their newly acquired Humber 1968 Series VA (see photo). This is a wonderful car and the interior is something to see. It is almost in showroom condition. Complete with the original un-marked Axminster carpet. With a little work on the outside of the car this will end up being a very fine example of the marque .

We all had a great day and a good chat about everything in general and a good look around Cricket Willow and all the cricket memorabilia, a great site for all those with an interest in cricket. For those with not a passion for the game it was a good chance to catch up with other members and have a chat. We had lunch at Cricket Willow and the progressed to Daylesford for afternoon tea. Where we bid our farewells and went in different direction back home.

Well this was great for the committee!!!! We organised it !!!, We went !!!,
