

President's Lunch at Yea - 2011

After some anxious moments on my part that we did indeed have a booking for lunch on Sunday 4th December at Yea Peppercorn Hotel and a happy group of 13 club members had the most delicious lunch imaginable.

It was great to see some new and newly rejoined club members attend to celebrate the end of the year and the Christmas spirit abounded.

We had a good run up to Yea from Melbourne, but we didn't take our old (1927) Humber this time as it is a bit far and rather tiring to go there and back in one day. To be comfortable we would need to make it a two day journey so next time perhaps.

As we had time to spare before and after lunch we managed a little Christmas shopping in a most delightful shop there full of all sorts of different and unusual gifts. It was great fun poking around the goods trying to decide if we really couldn't do without this delicate Christmas ornament or that special pate dish.

The Peppercorn Hotel has a reputation for fine food and it certainly didn't disappoint. We had a job to decide on what to choose as everything sounded wonderful. In the end we were very pleased with our choices and not a crumb was left on any of the plates. I think we all decided that a meal at the Peppercorn was an outing that must be repeated some time soon.
