

Christmas 2013

Well, what a lovely evening we had together. The Christmas feast was plentiful and very delicious, the company was great and the atmosphere was festive. So what if it wasn't even December, it was very enjoyable and a fitting finish to a successful club year

It was great to see some of our country members come to the Christmas Party this year. All of them had to drive at least 2 hours to get here so it was a wonderful effort and lovely to see them and wish them Merry Christmas. .

Lotte Linden had created yet another puzzling quiz, that at first glance looked easy until you started to decide on the answers. They were multiple choice answers so a lot of educated guesswork came into play. Luckily for me I managed to choose just enough correct answers to take out the prize. I don't think anyone was more astonished than me as it is the first time I have won such a quiz.

This year, for a change, we suggested members might like to bring a Kris Kringle gift to put under the tree. Everyone participated and it was fun to see what weird and wonderful gifts Kris Kringle had managed to find for us.

Thank you to everyone who came, I hope everyone had an enjoyable time as I did. Thank you also to those who helped clean up afterwards to ensure we left the Hall sparkling once more.
