

Rootes Group GT Day - Petanque at Hanging Rock

Ray and I arrived at Hanging Rock at 11 am to be greeted by members of the Rootes Group Car Club, Sunbeam and Talbot Car Club, Singer Car Club, and Humber Car Club. All up, 40 people and 23 wonderful old cars attended.

There were 4 beautiful Humbers on the field: Colin & Anne Anderson in their Humber Hawk MkVI, Rhonda & Ian Aspinall in their MkIV Super Snipe, Howard Thomas in his MkIII, and Ray and I in the MM4B

The Woodend Hanging Rock Petanque Club took us under their patient wings, and we had a glorious few hours learning & playing Petanque in the unexpected summer heat. We broke for a magnificent lunch, wine included, before concluding with one final game.

After scores were tallied (please don't ask us how they did it!), Ray - representing the Humber Car Club - was declared the outright winner!

This was one of the best ever combined clubs events we have ever attended with wonderful company, great atmosphere, challenges and lots of fun - but honest, no pain!

Huge thanks to the Rootes Group Car Club and the Woodend Hanging Rock Petanque Club for a wonderful day out.

Ray and Lotte
