

## Sunday 25 June - Club Run to Toolangi Tavern

Ray and I drove the trusty 'Humber Civic' to the Toolangi Tavern, for a thoroughly enjoyable winter get-together with club members.

It was a popular venue with other car enthusiasts - lots of Rovers and Holden Monaros in addition to our modest contingent of Humbers.

In spite of a filled venue, the service was exemplary, the food was delicious and of course the company was delightful.

We joined Rhonda and Ian Aspinall, Jan Beattie and Judy Finch, John Washbourne and Judy Lewis, and the organisers David and Lorraine Aplin for a lovely day out.
