

Event Report - Rooters vs. Rockers Petanque Challenge

The 6th annual Petanque Challenge between the Rootes Group Car Club (Rooters) and Woodend Hanging Rock Petanque Club (Rockers) was held on Sunday 21st October 2018 at Hanging Rock (of course!).

This is an annual invitation event to other clubs, and Ray and I are always a little torn between attending as members of the Rootes Group Car Club or flying the flag for the Humber Car Club of Vic. We elected to represent the HCCV. It was lovely to catch up with Bernie and Jo Meehan, who were driving their gorgeous Series V Super Snipe, and we had the only two Humpers at the event.

Although the day started out decidedly chilly, the weather was kind to us. The food was amazing! Fresh scones, cream and jam for morning tea, magnificent freshly cooked paella for lunch, and the dessert table was to die for.

Ray played his usual valiant game but sadly was not a winner this year. Also as usual, I piked out of competition and spectated, with my crossword puzzle and red wine in hand!

The winners were (drum roll) ROOTERS!!!
