

After thoroughly enjoying driving MM4 to the mid-winter lunch at Romsey, the AGM gave me the perfect excuse to take it out again.

Lotte was unwell and didn't want to inflict whatever germs she was harbouring onto others, but I was lucky enough to have the pleasure of the company of our Treasurer Dianne Erdmanis for the drive. Di has an unbounded love for Mark IVs and grew up with them because her father was also a huge fan and owner. She had not been in a Mark IV for a number of years and I must say we both thoroughly enjoyed the round trip. We managed to get from Castlemaine to Woodend and back without hitting the Calder Freeway at all.

Actually, AGM numbers were up again this year so we must be doing something right. The crew at the Victoria Hotel in Woodend outshone themselves once again. The photos say it all - sunshine and blue skies, good company, great service and delicious food.

John Washbourne (photo above, looking very relaxed!) has stepped down as President, and long-time committee members Jan Beattie and Judy Finch did not renominate for committee. We thank you for the contributions you have

made, John for many years steering the direction of the club and Jan and Judy especially for their part in staging the 2018 National Rally and other club outings.

The club welcomes Jon Miller to committee and long time committee member, Les Lindorff volunteered and accepted the position of Vice-President. Hans Paas was elected our new President. I am sure he is in for an interesting time and we will do our utmost to support him in this often under-appreciated role.
