

National Motoring Heritage Day

Sunday 19 May 2019

Ray and I attended the Castlemaine Historic Vehicle Club National Motoring Heritage Day on 19 May, which was held a week earlier than the official day of 26 May - but we're not sure exactly why.

It was a wonderful display of around 40 cars, veteran, vintage, classic and hotrod, plus 2 very old motorbikes, on a warm sunny Autumn day in beautiful Castlemaine. There were only 2 Humbers on display, MM4 and a very nice 1967 Super Snipe from the local club. *Lotte and Ray*
