

# The Marong Picnic – Sunday 28<sup>th</sup> August

We journeyed from Bendigo to the Marong Picnic ground to arrive early. We weren't in the Humber but in our 1937 Plymouth as after the picnic was the RACV Federation Rally that we were participating in.

A new condition to free entry to the picnic, you had to show a club newsletter from a club that was affiliated with the Federation or else pay a \$20 entry fee. The cars moved smoothly into lines and, although the overall number of cars were down, I don't think they were unhappy

with the number and diversity of the cars there.

There was no raffle this year but each car received a lucky entry number and this was your raffle number. There were a large number of small prizes provided from the sponsors.

It was a nice day, chilly to start, but sunny after lunch.

Kathleen & Neil Hiho
