President's Invitation Picnic

Hanging Rock Mt Macedon

Sunday 16 May 2021

What a wonderful day out, in spite of the cold!

Sadly we were not in MM4 (still with the Auto-Electrician). A joy for us to see old friends Lyn and Des Judd, who we haven't caught up with in a very long time. Des was one of the founders of the HCCV back in 1975 and is a Life Member. Des brought his "Humber Recovery Vehicle" - his classic Holden Ute.

Jon Miller put on a delicious sausage sizzle with all the trimmings. Jacquie Galea took photos and prepared prizes for the winners, and Hans made a rousing speech to the assembled members and visitors, and presented prizes.

Many thanks to Jon and Jacquie for all your hard work in making this day such a success!

HCCV Nostalgia Time

Back in the good old days, before computers, smart phones and the internet, the HCCV worked very differently! At the recent President's Picnic, Life Member and HCCV Founder Des Judd brought along a couple of old photo albums. Pasted inside the cover of one of them was this amazing list of outings and events starting with the FIRST HCCV club run to Kinglake in November 1975:
