Blackburn 3130

PRESIDENT'S REPORT

Our April Meeting was well attended, considering it fell on Anzac Day, and thanks for the films Norm Watt brought along for us, and to Max Sehey for once again doing the honours in the projection room, we had an enjoyable time.

At this meeting we welcomed new member Laurie Burgess, and his Series VA Snipe and we hope he enjoys being a member of our club.

Our congratulations to Vince and Teresa Pezzano on the birth of their son, Marc Julian; understand that Vince went into a state of shock when Marc arrived four weeks before he was supposed to, so Vince, we hope you are over it by now.

Other happy news is Lloyd and Pam Hughes are leaving for Europe on the 19th May, and we all wish Pam and Lloyd "Bon Voyage", also Col and Lorna McKenzie are off to Surfers so again - best wishes for a happy holiday.

We would like to know how many owners of Series cars would be interested in purchasing new rubbers for windscreens. The H.C.C. of S.A. want to get some run and as their needs are urgent, we would like any of our members interested to contact a Committee Member as soon as possible.

Our next outing is to Emerald Lake with the Wolseley Car Club on the 18th May. I'm looking forward to this, and hope our Club is well represented. Remember this month has five Fridays, and we meet on the 23rd May, the fourth Friday.

At this meeting we will be discussing our Club activities and outings over the last four years or so. Members' who have slides and photos they think could be of interest should bring them along, we will try to show them all.

Looking forward to seeing you at Emerald Lake on the 18th and at Camberwell on the 23rd.

Reg. Hattersley.

MINUTES OF GENERAL MEETING - MAY 1980.

President opened Meeting at 8.20 p.m. before 27 Members including five Committee Members.

1. The President welcomed new member Laurie Burgess who owns a Series Va Snipe.
2. Apologies: Col McKenzie, Herb Perkins, Harold Underwood. Moved - David Golds, Peter Davenport.

SECRETARY'S NOTES:

I'm not sure what is planned for the May General Meeting but perhaps I can show you some slides taken of the British Motor Car Display Day and of the Bendigo Easter Rally showing some of the two other clubs cars, but the June General Meeting looks to be a most interesting evening indeed, for we will have a guest speaker hailing from Lucas Industries who will be talking about electronic ignition conversion for Humbers. This system improves fuel consumption and cold starting, prolongs spark plug life and does away with points altogether - quite advantageous don't you think? From what I can gather, Lucas' programme may have to be extended to two meetings as it is so comprehensive but the speakers stress that it has to be lengthy to keep it understandable to those who wish to know about the electronics of their cars without getting too snowed under by highly technical conflagration. Anyway, that's in June so I'll see you in May. Des Judd.

We are meeting at 10.30 a.m. at Knoxfield Shopping Centre, cnr. Burwood Highway and Stud Road.

JUNE SOCIAL EVENT

Cost - \$7.50c per head and children under
10 years of age - \$4.00c

I would be grateful if those intending to come could let me know at the next meeting on the 23rd May or before Sunday the 8th June.
